**Celine's Masters**

Celine just updated that all Canadians have been interviewed and there are just a few that need to be done from other regions.

**Web site and Advertisements**

Joe says we need a email address that is connected to a bank account to proceed with the advertisement. Joe will look into this.

Joe told us "George" says the ranking page on CSAF is the most visited page on the site. He also said the page is at it's max so there is no room for advertisement on that page and that is where we would want it.

Christoph suggested that we break up the divisions to different pages to make more room for advertisement.

Christoph, Joe and George will conference call about this topic at a later date and will update the board at the meeting that follows.

## **General Email Inquires CSAF web site**

We talked about how they should be handled. Christoph has always dealt with all the emails and we think that maybe more people could help with them. Danny and Heather said they would help. Now everything just needs to be updated on website as to where inquires are to be sent.

Joe Motioned to set this in Motion.

Seconded by Christoph

Motion was carried.

We also talked about finding out what the default password is for Athletes so they can update their own Bio's on the CSAF website.

## **Hall of Fame**

There are 4 Men in the Hall of Fame at this time. We think it's time for someone else to be added to the list.

We talked about having nomination every 2 years hopefully starting in 2016.

We need to add a link to the CSAF page and also promote on FB that we will be accepting nominations for an Athlete for the Hall of Fame.
